ENVIRONMENT

Introduction

THE object of this Booklet is to demonstrate a few practical decorative schemes which you can have carried out in your own home with "Crown" Wallpapers. It is not necessarily intended that these examples should be strictly followed, but rather to offer suggestions which can be varied according to individual requirements.

There is now such a wonderful choice of carefully designed Wallpapers that you will find it an easy task to decorate your rooms so that the walls are in keeping with the furniture.

We cordially invite your inspection of the 1933 designs, which show a remarkable advancement in style, novelty, value, and attractiveness.

Our advice on any question of decorating is at your disposal.
